

(In the light of Quranic Text)

It is a matter of fact that the Holy Quran is characterized by rhetoric and eloquence. These (rhetoric and eloquence) appear in the types of Arabic literature Specially Arabic prose. I shall try to focus on this influence of Quran in the Arabic orations & different periods of Arabic literature.

I have divided my topic into four chapters:

First chapter It will deal with oratory. And include four sub-chapters.

Second chapter It will consist of essential objects of research regarding Arabic

Prose. and include six sub-chapters.

Third chapter It will consist of Quran & its influence in Arabic Language &

literature and include four sub-chapters.

Fourth chapter Examples of Orations influenced by Quranic text. And include five sub-chapters.
